

CITY OF TORRANCE

Torrance Boulevard Rehabilitation

CONSTRUCTION NOTICE

Dear Citizen,

This Notice is to advise you that the City of Torrance and its contractor, Sully-Miller Contracting Co., will begin construction of the Torrance Boulevard Rehabilitation (Sartori Avenue to the west City limit) on **Monday, October 6, 2008**. Construction will be ongoing until December 2009; however, the work will be completed in several phases to minimize impacts.

The first phase of work is between **Sartori Avenue and Crenshaw Boulevard** and construction will be ongoing for approximately 2 weeks. The work zone will be within the parking and bike lanes. Normal work hours are between 7:00 a.m. and 4:00 p.m. on weekdays.

TRAFFIC IMPACTS - SARTORI AVENUE TO CRENSHAW BOULEVARD

The work zone for Torrance Boulevard will be within the parking and bike lanes. Delays are expected. We recommend you identify an alternate route. Also, when required, access into and out of some intersecting local streets will be temporarily restricted to complete the work.

For areas between Sartori Avenue and Crenshaw Boulevard where on-street parking is currently permitted, please be advised that temporary "NO PARKING" signs will be posted forty-eight (48) hours in advance of any work in the area. The parking restrictions will be in effect for the dates and times shown on the signs. Please obey the signs or your vehicle will be towed.

We thank you for your cooperation and patience during the construction. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.

For questions or more information, please contact the following City staff:

Bill Kamimura, Project Engineer (310) 618-3078

Beth Overstreet, Engineering Manager (310) 618-3074
